CAGE: 1FPU5, VQ(VQE-18-032215), CN: 060657

This letter cancels and supersedes letter VQE-13-026284 to reflect the company name change to Resion LLC.

This Center has received the corrective actions from the audit performed in May 2017 at your facility. This audit was to determine your eligibility to join DLA Land and Maritime's Qualified Testing Suppliers List (QTSL) program. Based on our review, your facility, CAGE code 1FPU5, is considered a qualified distributor eligible to supply FSC 5961 and 5962, military and commercial grade product, as dictated under the Criteria and Provisions document for the QTSL program. Per your application, all devices are to be controlled and managed from your Ronkonkoma, NY location. No other locations for your company are qualified under this program.

This qualification is valid for three years from the date of this letter and can only be terminated by written notification from this Center. For the duration of the qualification period, the distributor is subject to periodic reviews by this Center or its representatives and agrees to meet the requirements set in the Criteria and Provisions document for the program. At the end of the three year period, your company must resubmit an application to remain in the program.

If you have any questions, please contact Mr. Brad Deslich at (614) 692-0593.

Sincerely,

for ALAN J. WILL
