Dear Ms. Poncheri:

Re: Requalification - Qualified Suppliers List of Distributors (QSLD) and Qualified Testing Suppliers List (QTSL), FSC 5961 and 5962, CAGE: 1FPU5, VQ(VQE-20-035448A), CN: 073409

This letter has been amended to update the facility location to the new address.

This Center has received your documentation to re-qualify in the Qualified Suppliers List of Distributors (QSLD) and Qualified Testing Suppliers List (QTSL) programs. Based on our review, your facility is considered a qualified distributor eligible to supply FSC 5961 and 5962 product, military and commercial grade, as dictated under the Criteria and Provisions documents for the QSLD and QTSL programs. All devices are to be controlled, tested, and managed from your Lakeland, FL location (i.e. CAGE: 1FPU5). No other locations for your company are qualified under this program.

For the duration of the qualification period, the distributor is subject to periodic reviews by this Center or its representatives and agrees to meet the requirements set in the Criteria and Provisions document for the program. This qualification is valid till April 30, 2023 and can only be terminated by written notification from this Center. At the end of the three-year period, your company must resubmit an application within 60 days to remain in the program

The acceptance of your company into these programs does not relieve the distributor of its contractual obligation to deliver product that complies with all specification requirements. If you have any questions please call Mr. Michael at 614-692-7527.

Sincerely,

for ROBERT M. HEBER
